INSTRUCTIONS

WHO MUST FILE. Any nonprofit organization or volunteer fire company or volunteer first-aid, rescue, ambulance, or emergency squad licensed to conduct a lottery by the sale of pickle cards on the premises of one or more licensed pickle card operators (Class II licensee) must complete and submit the Nebraska Schedule II in order to authorize a licensed pickle card operator to sell individual pickle cards on its behalf. Before any licensed organization can authorize a business to sell its pickle cards, that business must have obtained, from the Nebraska Department of Revenue, a pickle card operator's license.

The authorizations for pickle card operators are mailed to the licensed organization. The licensed organization is required to distribute the authorizations to the proper pickle card operators.

A pickle card operator may not sell individual pickle cards on behalf of any licensed organization until

such organization has received an authorization from the Department, entitling that pickle card operator to sell individual pickle cards on its behalf. A pickle card operator's license alone is not enough to enable a business to sell individual pickle cards. A business must have physical possession of both a pickle card operator's license and an authorization issued by the Department before it may sell pickle cards. An authorization is required for each licensed organization for which the pickle card operator intends to sell pickle cards.

WHEN AND WHERE TO FILE. A pickle card operator authorization issued to a nonprofit organization holding a certificate of exemption under section 501(c)(3) or (c)(4) of the Internal Revenue Code expires on September 30 of each odd-numbered year and may be renewed biennially. of exemption under section 501 of the Internal Revenue Code, other than 501(c)(3) or (c)(4), or for any volunteer fire company or volunteer first-aid, rescue, ambulance, or emergency squad expires on September 30 of each even-numbered year and may be renewed biennially. All applications for renewal must be submitted with the nonprofit organization's lottery by the sale of pickle cards license renewal application at least 45 days prior to the expiration date of the license. New applications for authorization may be submitted at any time during the license period. There is no license fee for a pickle card operator authorization.

A business licensed as a pickle card operator which does not renew its retail liquor license will have its license cancelled by the Charitable Gaming Division since the business no longer meets the eligibility requirements for holding the license. All pickle card operator authorizations issued to licensed nonprofit organizations for such business will also be cancelled.

The application may also be utilized during the license period to report changes in the information originally submitted or to cancel the authorization. The original copy of the application form is to be mailed to the Nebraska Department of Revenue, Charitable Gaming Division, P.O. Box 94855, Lincoln, NE 68509-4855.

SPECIAL INSTRUCTIONS

NEW. A pickle card operator may be added to those authorized to sell your organization's pickle cards by printing or typing the Nebraska identification number of the pickle card operator, the trade name and address of the pickle card operator, and placing a check mark in the "New" box.

CANCEL. To cancel an authorization for a pickle card operator, complete the Nebraska identification number of the pickle card operator, the trade name and address of the pickle card operator, and place a check mark in the "Cancel" box. The original authorization issued by the Nebraska Department of Revenue must be returned to the Department with the cancellation request.

CHANGES. The address or trade name of a pickle card operator may be changed by indicating the Nebraska identification number, and the current trade name and address of the pickle card operator. A pickle card operator's license and the corresponding licensed organization's authorization are not transferable. A change in ownership of a business licensed as a pickle card operator requires licensing of the new ownership as a pickle card operator and a new pickle card operator authorization to be obtained by the licensed organization for that location.

AUTHORIZED SIGNATURES. The Nebraska Schedule II must be signed by an **owner, partner, member, or officer of the licensed pickle card operator**, or a person authorized by an attached power of attorney. A utilization of funds member of the licensed organization must also sign in the space provided.

Any questions regarding the completion of the Nebraska Schedule II - Authorization for Pickle Card Operators Application, should be addressed to the Nebraska Department of Revenue, Charitable Gaming Division, P.O. Box 94855, Lincoln, Nebraska 68509-
